

2019 CONNECTIONS OPPORTUNITIES

As we enter a new year, pray about being a part of these mission trips and local opportunities. Our mission trips fit into four categories that describe the goal of the trip:

- church-planting
- evangelism
- discipleship
- support/service/care

For more information on any of these opportunities, contact our Connections Pastor Chad Warren (cwarren@fbcgt.org) or the person listed. Please pray for all of these opportunities throughout the year as we live on mission to love God, love people and help others do the same!
