WEEK 1 DISCUSSION QUESTIONS

1. Are your eyes leading your heart to your wife? If not, where have your eyes been leading you? What struggles with your eyes do you need to confess to these trusted brothers? **Matthew 5:27-28; 6:22-23.**
2. Since God designed your wife as your personal standard of beauty, how are you (can you) cultivating that attraction with your eyes? **Proverbs 5:15-19.**
3. Kevin mentioned three ways to come back to God's design. Have you made a clear covenant with the Lord that you want to desire and flourish in the beauty of your wife and not look lustfully at other women? Commit to this together in your group. Talk about what it means to make a covenant like this. **Job 31:1**
4. The second way is to walk with the wise. How can your group be wise together in the area of your eyes? What would it look like to lovingly rebuke one another and encourage each other back to what is best? **Proverbs 13:20; 27:17**
5. How are you keeping your eyes on God's Word regularly? **Proverbs 7:5**

Close your time by talking about how you can encourage one another in being wise with your eyes.
