

MAPS

Inside the campaign box is an inflatable globe. Blow it up and then find Sulawesi on it. If you need a hint, look at the image that is printed on these cards or inside of your campaign box.

Now that you've found it on the map, use your phone or computer to find out the answers to these questions:

1. What is the capital city of North Sulawesi?
 2. How many miles is it from your home to Sulawesi?
 3. How long does it take to fly from Austin to North Sulawesi?
 4. Google "Sulawesi" and check out some pictures of the island (make sure your Safe Search is turned on or check in advance). Which picture makes you want to visit the most?
