

THE JOURNEY

Compassion International has made a video specifically for our church. Put this video up on the big screen at your house and watch it as a family.

Most of our daily experiences in our box are meant to be brief, but this will be a longer experience. The video is close to thirty minutes in length and will take you on a journey through what life is like for a typical child in the Compassion program.

You can use this QR code or the type in the link below it.

After the video ask:

1. What was your favorite part of "The Journey"?
2. Was there anything that you saw that made you feel uncomfortable?
