

# COLOSSIANS

- 1 How are you doing with your individual time in God's Word? In this new season of Home-Stay, how have you found to be encouraged to press into the Bible or where has this season exposed struggles?
- 2 How has the practice of living under the Lordship of Christ more intentionally this past week changed either your thoughts or actions? (reactions, worship, relationships etc)
- 3 What word pictures or examples can you think about to describe the word "steadfast"? Who in your life characterizes the quality of steadfastness?
- 4 It was said of Jesus in Luke 4:22 that "all spoke well of Him and marveled at the gracious words that were coming from His mouth." How does Ephesians 4:29 enhance our understanding of how our speech is to be seasoned with salt?
- 5 Paul saw that ministry was not only dependent on him but in the network of people around him. How do you typically respond when thinking about depending on others?
