## **WEEK 2 KEY VERSES**

**COLOSSIANS 1:28** 

**PROVERS 27:5-6** 

**JAMES 3:2** 

**MATTHEW 7:1-4** 

## **WEEK 2 DISCUSSION QUESTIONS**

- 1. Share a time you were admonished by another guy and it was beneficial for you. Share a time you were admonished by another guy and it did not go well. What was the difference in each guys approach to you and your responses? Discuss what you can learn from each other's experiences.
- 2. What fears or concerns do you have about admonishing other men or having them admonish you? What would keep you from accepting the admonishment of another man?
- 3. Look at Matthew 7:1-4 together. Kevin mentioned the way to maintain humility is to keep the perspective that the log is in your eye while the speck is in your brothers eye. How can you practically maintain this perspective? How can you work toward humility together?
- 4. Is admonishment in the form of warnings or calling you back toward Christ a regular practice in your group? Talk about how you can intentionally move this direction and humbly give permission for these men to speak into your life.
- 5. How can your brothers support you this week as you seek to be a student of the truth?

Spend time in prayer together. Allow Tozer's prayer of wanting to want the Lord to be a starting point for praying honest prayers of wanting to desire the Lord even in the places where you don't desire the Lord. Allow this step of humble confession and seeking the Lord to be a step forward for your group in walking honestly with each other before the Lord.
