

## Men's 4x4 For My Brothers | Session 4 Guide

### Key Passages:

Proverbs 27:9; Proverbs 18:1; Romans 12:4-5; Ephesians 4:11-16; Acts 13; Acts 20; John 15

### Questions:

1. How have you grown in your intentional movement toward brothers in Christ over the past month?

2. Kevin mentioned drift toward isolation as an early indicator of a man moving toward danger in his life. What can you do over the next several weeks to intentionally move toward your brothers in Christ and push against isolation? (Proverbs 18:1)

3. Kevin pointed out 3 elements of God's design for us to do together:

- Be the body of Christ (Romans 12:4-5)
- Know Him together (Ephesians 4:11-16)
- Follow the Holy Spirit together (Acts 13 and Acts 20)

How have you seen a focus on individualism in your life keep you from moving toward this design? How can the other men encourage you and hold you accountable to moving toward recovering this design?

4. We all, at times, miss God's design for how we are to live as brothers in Christ. Talk about how you've seen the Lord's grace cover your mistakes and how that has helped you move back toward His design.

5. What is your primary takeaway from this 4x4 about your brothers? Make a plan for continuing to encourage one another throughout the Christmas season and into the new year.
