

# FBG FAMILY ROUNDTABLE

## Missional Living

Use this worksheet as a guide to think talk about how your family engages at FBG

1. Who are your neighbors? The house in the center is yours. The empty squares are where your neighbors live. Fill in the boxes with the names of your neighbors as best you can. (Obviously not everyone lives on a grid like this, but adjust the grid to your needs)

2. List the five people from work that you are close with that you are unsure of where they stand with the Lord.
